Dear Parent/Caregiver

Towards the end of 2010 we sent home a newsletter collecting registrations of interest in the 'Seasons for Growth' programme. As there were not enough weeks at the end of the year to start and complete the programme we deferred it to this term depending on enough students for a school-run programme.

The 'Seasons for Growth' education programme is an opportunity for small groups of children who have lost a parent or significant other to separation, divorce or death to share what has happened to them and to get in touch with how they are feeling about it.

It is only suitable for students 7 years and over. It is facilitated by people who have received special training in the use of the programme. It is not counselling or therapy.

The student must choose to be involved in this programme. Please fill in the form below if your child would like to attend this programme. Further information will be sent home at a later date.

Please return the form below to your class teacher by Friday 25 February.

Thank you
